

MISSION & VISION

To build a safer community by reducing the risk to a natural disaster through the development of efficient emergency response. Our mission is to develop networks to appropriately coordinate disaster risk reduction and management in alliance with the communities and other stakeholders domestically and internationally; develop and enhance sustainable disaster risk management capacities and mechanism; raise awareness and exchange of information of disaster risk management expertise and experience; to conduct training to develop the local's skills.

A-PAD BANGLADESH

The Asia Pacific Alliance for Disaster Management Bangladesh (A-PAD Bangladesh) was established in February 2018 as a platform in Bangladesh for the A-PAD alliance, where the main focus is to build tolerance and resilience to disasters in the communities of Bangladesh.
